*The Woodford County Fair is a non-profit organization, operated solely by a dedicated group of volunteers, who give many hours of service to the fair to ensure it's success. Their loyal and unflinching efforts make this fair possible. We thank and express our appreciation to our members, county officials, Woodford County Jail, Parks and Recreation, Road Department, community service workers, volunteers, supporting clubs and organizations, sponsors, and The Woodford Sun for media coverage. All have helped to make our award-winning fair one of which the entire county can be proud! In addition to the annual county fair, the Association gives back to the community by supporting the Senior Citizens and Project Graduation, American Legion activities, activities for children of community service workers at the Detention Center, the Kiwanis Duck Derby, the annual 4H/FFA Ham Sale, local food banks, Woodford Cares, and the Atta Tom Payton 4H camp scholarship fund. THE WOODFORD COUNTY FAIR IS PLANNED AND CONDUCTED ACCORDING TO THE KENTUCKY DEPARTMENT OF AGRICULTURE REGULATIONS. Fairgoers attend the Woodford County Fair at their own risk.*

**Welcome! Thank you for your interest in the Woodford County Fair. If you're new to the Fair and enjoyed yourself, please encourage your friends and friendly rivals to participate!**
